

Harmony Valley Farm 2017 CSA Information and Sign-Up Form

CSA membership allows you to connect with the farm and people where your food is grown. As such, we will share together in the bounty and the risks associated with farming. We look forward to providing you and your family with the highest quality, clean, fresh and nutritious vegetables, fruit and coffee. Everything we grow and distribute is **Certified Organic**.

We offer **Vegetable, Fruit & Coffee** Shares for delivery to the **Twin Cities, MN; Madison, WI; and our local area (Viroqua, La Crosse & Onalaska)**. The information below outlines each of our shares with specific information to help you decide which shares best fit your needs. Delivery dates are listed as "Twin Cities/Local/Madison."

Vegetable Shares

Our vegetable shares are designed to meet the needs of a family of four. Take time to thoughtfully consider which shares will best meet the needs and eating habits of your household. Each delivery is accompanied by a newsletter which includes information on storing and preparing your vegetables, delicious recipes and updates from your farm.

You will be able to make changes to your schedule throughout the season as long as you let us know by noon on Tuesday the week of the change. This option is also available for those who sign up part way into the season. This is a popular selection for members in smaller households or those that travel frequently for work or summer vacations. This has also become a popular gift for college students.

Harmony Valley Farm 2017 CSA Agreement Form

Fill out this form and send with your payment to the farm. Keep a copy for your records!

Sharing Households: If you are sharing your box with another household, remember that the farm packs only one box for your share; it is up to you to decide how to split it. Some households meet and physically split the box contents; others alternate weekly pickups so each household gets a full box every other delivery. Household 1 will be listed on the check off list, and will be the primary contact for your site coordinator. Please list the contact info for both households if you plan on sharing boxes and remember who is listed as Household 1. Thank you!

I would like to become a member of Harmony Valley Farm's Community Supported Agriculture program. As a CSA member I understand that I share in the bounty as well as the risks that accompany farming and that the farm plants and harvests with my share in mind. For this reason, I understand that Harmony Valley Farm CSA membership is a season long commitment. If I can't finish out the season as a member, for whatever reason, it is my responsibility to reassign my share and ensure payments are made. I understand that it is my responsibility to know when and where to pick up my shares and to do so following the guidelines outlined by Harmony Valley Farm.
