

FLEX share customers please use this calendar to choose your delivery dates between May & December, regardless of whether it is a "green" or "brown" week. These colors signify our Every other Week customer's delivery dates as well as fruit (green weeks) or coffee & cheese (brown weeks) deliveries. Any changes to your FLEX delivery schedule must be made by NOON on TUESDAY the week of the desired change. Call or email Terri to make changes; make sure you get a confirmation. **All CSA members:** Keep a copy of your delivery schedule! It is your responsibility to know your delivery dates.
